### 02. Zantrex-3 Insta-Shot

**ENERGY!** The formula boasts extreme energy that's "fast-acting, long-lasting" and with "no crash."

The Insta-Shot's "Octane Orange" flavor is a real step up from the bitter taste of some energy drinks and shots. Already at GNC, you'll soon find Insta-Shot's at Walgreen's, CVS and Wal-Mart. Also available online.

### 04. The Burn Machine

The Burn Machine provides two distinctive types of workouts. First, utilizing 360-degree rotating cushioned grips, Burn Machines allow for total control in strength training. Secondly, the horizontal center bar connecting the 360-degree rotating grips has an Asymmetrical Burn Counterweight that can be moved from side to side, enabling symmetrical and asymmetrical workouts without changing machines. All models are shipped with custom, zippered tote bags. Six models to choose from.
